W&K

W&K

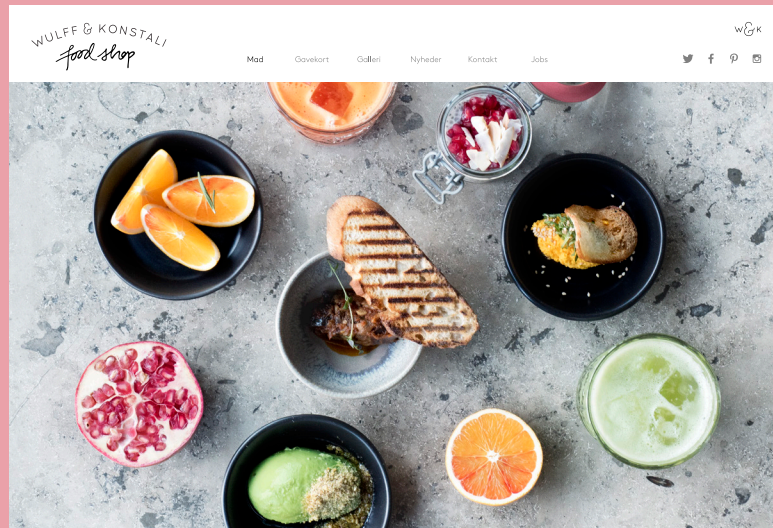

Wulff & Konstali - consists of 3 food shops in Copenhagen. At W&K all their food is homemade with lots of love and organic ingredients. They also serve Copenhagen's most instagrammed brunch.

Passion & Love

W&K's passion for homemade food and creativity was the source of inspiration for the visual identity. The Wulff & Konstali foodshop logo uses a handdrawn font to illustrate their passion for homemade food.
